

# WALDORF HOME SCHOOL SEMINAR

*“Receive them with reverence, educate them with love, send them forth in freedom.”  
-Rudolf Steiner, Education Towards Freedom*

With these words as their guiding principle,  
the Good Heart School Initiative invites you to a Home School Support  
Seminar with master teacher Barbara Dewey.

*Friday, April 20                      6:00pm-9:00pm*  
*Saturday, April 21                    8:30am-4:00pm*  
*Sunday, April 22                     8:30am-4:00pm*  
*Carnegie Library, Historic Downtown Petoskey*

Barbara Dewey brings a wealth of resources from her 40+ years in teaching out of the rich and artistically inspired Waldorf School curriculum. In this weekend seminar, Barbara will lead participants through a hands-on experience of how Waldorf works through the use of movement, painting and handwork as well as form drawing and writing. A discussion will be held on readiness for the grades and the manner in which science, math, reading and writing are taught and woven through with story and art to nurture and educate the whole child for meeting the world with integrity, confidence and initiative.

Participants will be led through hands-on learning experiences as a means for both demonstrating the effectiveness of Waldorf education and for building the support structure that parents, teachers and caregivers will be able to call on through the growing educational needs of their children and students.

All are welcome to attend.
